Pe rol se află soluționarea excepției de neconstituționalitate a dispozițiilor art. 264 alin. (1) lit. a) din Codul muncii, excepție ridicată de Florica Trașcă în Dosarul nr. 1.398/2003 al Tribunalului Constanța — Secția civilă.

La apelul nominal lipsesc părțile, procedura de citare fiind legal îndeplinită.

Reprezentantul Ministerului Public pune concluzii de respingere a excepției de neconstituționalitate ca fiind neîntemeiată, arătând că textul de lege criticat, coroborat cu art. 267 din Codul muncii, care prevede că sancțiunea avertismentului scris poate fi dispusă fără efectuarea unei cercetări disciplinare prealabile, nu contravine prevederilor constituționale ale art. 16, deoarece aplicarea oricărei sancțiuni intervine în considerarea faptei săvârșite, iar nu a calității autorului, astfel încât nu poate fi pusă în discuție existența vreunei discriminări. În ceea ce privește nesocotirea dreptului la apărare, se apreciază că, întrucât persoana sancționată are posibilitatea de a contesta în justiție măsura disciplinară luată împotriva sa, ea beneficiază de toate garanțiile procesuale în fața instanței judecătorești competente cu soluționarea litigiului.

CURTEA,

având în vedere actele și lucrările dosarului, reține următoarele:

Prin Încheierea din 18 iunie 2003, pronunțată în Dosarul nr. 1.398/2003, **Tribunalul Constanța — Secția civilă a sesizat Curtea Constituțională cu excepția de neconstituționalitate a dispozițiilor art. 264 alin. (1) lit. a) din Codul muncii**, excepție ridicată de Florica Trașcă.

În motivarea excepției de neconstituționalitate, se arată că textul de lege criticat încalcă art. 16 alin. (1) și art. 24 alin. (1) din Constituție, întrucât, pe de o parte, pentru unele abateri disciplinare, legea obligă la efectuarea unei cercetări prealabile, în timp ce pentru altele nu prevede această obligație, iar, pe de altă parte, aplicarea unei sancțiuni disciplinare fără efectuarea unei cercetări prealabile, condiție esențială în stabilirea temeiniciei sancțiunii, nu asigură protecția salariatului în fața abuzurilor și încurajează aplicarea de sancțiuni nejustificate. De asemenea, se mai arată că este îngrădită libertatea de exprimare a opiniilor salariatului referitoare la fapta considerată abatere disciplinară și la sancțiunea ale cărei consecințe urmează a le suporta, precum și dreptul acestuia de a fi informat cu privire la motivul pentru care este sancționat.

Tribunalul Constanța — Secția civilă apreciază că, deși autoarea excepției invocă neconstituționalitatea art. 264 alin. (1) lit. a) din Codul muncii, din motivarea excepției rezultă că, în fapt, ea înțelege să critice dispozițiile legale ce permit aplicarea unei sancțiuni disciplinare fără o cercetare prealabilă a pretinsei abateri, respectiv dispozițiile art. 267 alin. (1) din același cod.

În ceea ce privește încălcarea prevederilor art. 16 alin. (1) din Constituție, instanța consideră că aplicarea unei sancțiuni disciplinare fără o cercetare prealabilă nu

constituie o discriminare a vreunei categorii de cetățeni, întrucât nu este condiționată de vreo calitate a subiectului de drept, ci de gravitatea faptei apreciate ca fiind abatere. Nu se poate reține nici încălcarea dreptului persoanei de a se adresa unei instanțe de judecată, persoana nemulțumită de sancțiunea aplicată putându-și valorifica dreptul la apărare prevăzut de art. 24 din Constituție.

De asemenea, se arată că nu este afectat nici dreptul la exprimare sau dreptul la informare, Codul muncii oferind suficiente garanții legale pentru ca salariatul sancționat să își poată exprima punctul de vedere și să fie informat despre măsura punitivă care i-a fost aplicată.

În consecință, instanța apreciază excepția de neconstituționalitate ca fiind neîntemeiată.

Potrivit dispozițiilor art. 24 alin. (1) din Legea nr. 47/1992, republicată, încheierea de sesizare a fost comunicată președinților celor două Camere ale Parlamentului, precum și Guvernului, pentru a-și formula punctele de vedere cu privire la excepția de neconstituționalitate ridicată. De asemenea, în conformitate cu dispozițiile art. 18¹ din Legea nr. 35/1997, cu modificările ulterioare, s-a solicitat punctul de vedere al Avocatului Poporului.

Guvernul arată că textul de lege criticat nu încalcă nici una dintre prevederile constituționale invocate, deoarece se aplică tuturor salariaților aflați în aceeași situație și nu creează discriminări între aceștia; orice salariat se poate apăra în fața instanței de judecată, contestând măsura de sancționare, libertatea de exprimare a persoanei în legătură cu sancțiunea aplicată nefiind astfel afectată. De asemenea, întrucât aplicarea sancțiunii disciplinare se face prin decizie scrisă, care, sub sancțiunea nulității, trebuie să cuprindă, printre altele, descrierea faptei, precizarea dispozițiilor legale încălcate, termenul în care sancțiunea poate fi contestată la instanța competentă, dreptul salariatului la informare este pe deplin respectat, critica de neconstituționalitate fiind lipsită de teme.

Avocatul Poporului arată că, deși autoarea excepției indică un alt text de lege, critica de neconstituționalitate este îndreptată, de fapt, împotriva art. 267 alin. (1) din Codul muncii, care nu obligă angajatorul să efectueze o cercetare prealabilă în cazul în care salariatul a săvârșit o abatere disciplinară sancționată cu avertisment scris. Se apreciază că acest text de lege nu contravine principiului egalității în drepturi a cetățenilor, în condițiile în care tuturor angajaților sancționați cu avertisment scris li se aplică același tratament juridic, și nici dreptului la apărare, salariații putând contesta decizia de sancționare la instanțele judecătorești competente, în cursul procesului beneficiind de toate garanțiile procesuale prevăzute de lege.

În ceea ce privește încălcarea dispozițiilor art. 30 alin. (1) și ale art. 31 alin. (2) din Constituție, se apreciază că aceasta nu poate fi reținută, deoarece angajatului sancționat cu avertisment scris nu i se îngădește posibilitatea exprimării libere a opiniilor sale sau accesul la orice informație de interes public.

Referitor la excepția de neconstituționalitate a art. 264 alin. (1) lit. a) din Codul muncii, text criticat de autoarea excepției, Avocatul Poporului arată că aceasta este neîntemeiată, întrucât criticile autoarei nu sunt relevante pentru soluționarea excepției de față, neavând incidență în cauză.

Președinții celor două Camere ale Parlamentului nu au comunicat punctele lor de vedere cu privire la excepția de neconstituționalitate.

CURTEA,

examinând încheierea de sesizare, punctele de vedere ale Guvernului și Avocatului Poporului, raportul întocmit de judecătorul-raportor, concluziile procurorului, dispozițiile legale criticate, raportate la prevederile Constituției, precum și dispozițiile Legii nr. 47/1992, republicată, reține următoarele:

Curtea Constituțională este competentă, potrivit dispozițiilor art. 146 lit. d) din Constituția României, republicată, și ale art. 1 alin. (1), ale art. 2, 3, 12 și 23 din Legea nr. 47/1992, republicată, să soluționeze excepția de neconstituționalitate cu care a fost sesizată.

Obiectul excepției de neconstituționalitate îl constituie art. 264 alin. (1) lit. a) din Codul muncii, respectiv Legea nr. 53/2003, publicată în Monitorul Oficial al României, Partea I, nr. 72 din 5 februarie 2003. Textul legal criticat are următorul conținut:

— Art. 264: „(1) *Sancțiunile disciplinare pe care le poate aplica angajatorul în cazul în care salariatul săvârșește o abatere disciplinară sunt:*

a) *avertismentul scris;*“

Autoarea excepției susține că dispozițiile legale criticate încalcă prevederile art. 16 alin. (1), art. 24 alin. (1), art. 30 alin. (1) și ale art. 31 alin. (2) din Constituția României, republicată, prevederi care au următorul conținut:

— Art. 16 alin. (1): „*Cetățenii sunt egali în fața legii și a autorităților publice, fără privilegii și fără discriminări.*“;

— Art. 24 alin. (1): „*Dreptul la apărare este garantat.*“;

— Art. 30 alin. (1): „*Libertatea de exprimare a gândurilor, a opiniilor sau a credințelor și libertatea creațiilor de orice fel, prin viu grai, prin scris, prin imagini, prin sunete sau prin alte mijloace de comunicare în public, sunt inviolabile.*“;

— Art. 31 alin. (2): „*Autoritățile publice, potrivit competențelor ce le revin, sunt obligate să asigure informarea corectă a cetățenilor asupra treburilor publice și asupra problemelor de interes personal.*“

Examinând excepția de neconstituționalitate, Curtea constată că, deși, formal, critica de neconstituționalitate este îndreptată împotriva art. 264 alin. (1) lit. a) din Codul muncii, care reglementează avertismentul scris ca sancțiune disciplinară, din susținerile autoarei excepției rezultă că, în realitate, aceasta vizează lipsa obligației angajatorului de a efectua o cercetare prealabilă în cazul în care salariatul a săvârșit o abatere disciplinară sancționată cu avertisment scris. Ori, aceasta este prevăzută într-un alt text de lege, respectiv în art. 267 alin. (1) din Codul muncii, care prevede că: „*Sub sancțiunea nulității absolute, nici o măsură, cu excepția celei prevăzute la art. 264 alin. (1) lit. a), nu poate fi dispusă mai înainte de efectuarea unei cercetări disciplinare prealabile.*“

În ceea ce privește încălcarea prevederilor art. 16 alin. (1) din Constituție, Curtea constată că, în măsura în care reglementarea dedusă controlului se aplică tuturor celor aflați în situația prevăzută în ipoteza normei legale, fără nici o discriminare pe considerente arbitrare, critica cu un atare obiect nu este întemeiată. De altfel, exceptarea de la procedura cercetării prealabile nu intervine în considerarea calității făptuitorului, care întotdeauna este salariat al angajatorului, ci exclusiv în raport de gravitatea abaterii și a sancțiunii aplicabile, astfel încât reglementarea nu aduce atingere principiului egalității de tratament juridic între cetățeni.

Analizând constituționalitatea textelor de lege criticate, Curtea constată că acestea sunt în deplină concordanță și cu prevederile constituționale referitoare la liberul acces la justiție și dreptul la apărare. Astfel, potrivit art. 268 alin. (5) din Codul muncii, „*decizia de sancționare poate fi contestată de salariat la instanțele judecătorești competente...*“, pe această cale contestatorul având posibilitatea de a beneficia de toate garanțiile procesuale prevăzute de lege, prin administrarea probelor necesare în fața jurisdicțiilor care soluționează aceste cereri.

Față de obiectul de reglementare al normei deduse controlului de constituționalitate și în raport cu susținerile autoarei excepției, Curtea constată că art. 30 alin. (1) și art. 31 alin. (2) din Constituție nu au relevanță în susținerea excepției de neconstituționalitate, întrucât domeniile lor de incidență sunt diferite, libertatea de exprimare a persoanei și obligația autorităților publice de informare a cetățenilor neavând legătură cu procedura cercetării prealabile, în vederea aplicării de sancțiuni disciplinare, instituită de Codul muncii.

Pentru considerentele expuse mai sus, în temeiul art. 146 lit. d) și art. 147 alin. (4) din Constituție, republicată, precum și al art. 1—3, al art. 13 alin. (1) lit. A.c), al art. 23 și al art. 25 alin. (1) din Legea nr. 47/1992, republicată,

CURTEA

În numele legii

DECIDE:

Respinge excepția de neconstituționalitate a dispozițiilor art. 264 alin. (1) lit. a) coroborat cu art. 267 alin. (1) din Codul muncii, excepție ridicată de Florica Trașcă în Dosarul nr. 1.398/2003 al Tribunalului Constanța — Secția civilă. Definitivă și obligatorie.

Notă: Medicamentele (D.C.I.) aferente grupei " Leucemii, limfoame si aplazie medulara" sunt listate impreuna cu cele corespunzatoare grupei " Tumori maligne" datorita faptului ca un numar mare de produse sunt comune celor doua grupe.

Medicamentele vor fi asigurate prin farmaciile apartinand unitatilor sanitare, prin care se deruleaza Programul National de Cancer
